

High School Math Teacher Job Description

Position Overview

We are seeking a passionate and dynamic High School Math Teacher to join our Christ-centered learning community. This educator will inspire students in grades 9-12 to develop strong analytical skills, a deep appreciation for mathematics, and a commitment to academic excellence grounded in a biblical worldview.

The ideal candidate is both a skilled instructor and a devoted follower of Christ who integrates faith and learning seamlessly. He/she will create an engaging classroom environment where students are challenged to think critically, solve problems creatively, and grow in confidence and Christ-like character. In our High School, every student is known by name, appreciated for who God made them to be, and disciplined in their walk with Christ.

The High School Math Teacher will be an Evangelical Christian who wholeheartedly embraces our mission of equipping disciples through exemplary education. The High School Math Teacher reports directly to the High School Principal.
